

Impromptu "Harvest Moon" Cruise

Thursday, October 1 – Friday, October 2, 2020

Capricorn and Mistral met in Trippe Creek, rafted, and enjoyed cocktails and comradery until dusk.

Shortly thereafter, both crews enjoyed the rising of the beautiful orange full moon. We were lucky as the clouds and rain descended not long after.

Capricorn with Harvest Moon over Trippe Creek

The next day each crew enjoyed a leisurely morning at anchor before returning to home port.
