

Cruise Report: CSSM Mystic Impromptu Cruise

October 5-7, 2026

Cruise Captain: Keith and Debbie on Mystic

Fellow Cruisers: Denny and Stephanie on Divided Sky
 Joni and Ray on Joliesse
 Fred on Volant

We were blessed by perfect weather and sailing conditions all three days. Pretty good for an Impromptu Cruise that was planned two weeks prior.

Monday, October 5th

Our first night's destination was Pickering Creek off the Wye River. Volant arrived first, followed by Mystic, Joliesse and Divided Sky. Volant and Joliesse anchored individually and Divided Sky rafted up with Mystic. Mystic hosted Happy Hour. There were dinghies galore so transportation to the host was not an issue. After a while, we went our separate ways to enjoy the remaining sunlight and pleasant evening.

Tuesday, October 6th

Mystic hosted a breakfast of bacon and eggs, fruit and muffins. Denny and Stefanie accepted the invitation. After a leisurely morning, Volant left for home port and the remaining fleet departed for Hunting Creek. Given we only had about 12 nm to go, we all had a good opportunity to sail despite the mostly gentle breeze. Again, Divided Sky rafted up with Mystic and Joliesse anchored nearby. Joliesse hosted our Happy Hour. After a while, Ray's Starboat crew Ed and his wife stopped by in their motor launch to join us. Another pleasant evening embraced us.

Wednesday, October 7th

We all departed for home ports. Mystic had a beautiful sail to home port in a building southerly breeze.
