CSSM Cruise Report: Shaken Knot Stirred “Leaf Peeper” Cruise

October 30, 2026

Cruise Captains: John and Barbara Pomije

Fellow Cruisers: Keith Donald on Mystic
Fred Molden on Volant

We had clear weather and wonderful views on an Impromptu Cruise to the Rhode River. Our plan was to add a cruise night in front of Keith’s Chestertown Downrigging Cruise.

Friday, October 30th, 2026

We saw a LOT of pelicans on our way to the Rhode River. We were joined by Mystic and Volant and had happy hour(s) on Shaken Knot Stirred. The leaves, sunset and sunrise were fantastic. We took advantage of the opportunity to celebrate Fred Molden becoming a CSSM member!

Fred had earned his Burgee on an earlier October cruise with Mystic. Shaken Knot Stirred went on the next day to join Keith’s cruise for the first night. Fred headed home to watch his grandson’s football game. Keith passed the tallish ship “Maryland Dove” (St. Mary’s, MD) on his way to Meridith Creek.
