

CSSM ANNUAL PICNIC SEPTEMBER 13, 2008

Please join us for the Cruising Sailors Saint Michaels annual Picnic

When: Saturday September 13, 2008 at 5PM

Where: Tilghman On The Chesapeake Club House

The main dish will be provided and all we ask is for you to choose from the list below a dish you would like to bring to share and also your favorite cocktail beverage of choice. Just in case your first selection has already been taken also mark down a second choice. You will only be bringing one dish and we will let you know in advance which dish it is. Also provided will be cups, ice, plates and utensils.

It's a great time to have all of us together and reminisce of past cruises and talk about the ones to come. Do not worry about negotiating the steps – there will be plenty of seating on the lower deck (take the ramp at the entrance to the pool) as well as the upper deck and clubroom

Hope to see then if not before.

Dennis & Stephanie Sokso
