

STUFF HAPPENS LUNCH
BOAT ELECTRICAL SYSTEMS AND PROBLEMS
THURSDAY APRIL 30, 2009

WHAT: Last of the spring series of informative lunches discussing topics of interest.

WHERE: Miles River Yacht Club Trophy Room

WHEN: Thursday, April 30, 2009. Lunch starts at 1200 with the presentation beginning at around 1230

LUNCH: Buffet Lunch including roast beef and turkey sandwiches, soup of the day and salad bar. Cookies are available for dessert. Coffee and Iced Tea Provided. Cost is \$12.50 per person which INCLUDES gratuity and tax.

TOPIC: Irv Hetherington will provide overview of a marine electrical system along with areas that are troublesome. There will be some discussion about solving problems. Then there will be an open discussion including our collective experiences, problems and solutions, so bring you unique problem and hopefully solution to share with the group.

SIGN UP: Email Judy Tanczos and let her know how many will attend. The cut off date for making reservations is NOON on Tuesday April 28th. j.tanczos@verizon.net
