

WYE NOT BEER FEST
SEPTEMBER 11 – 13, 2009
FRITZ & WENDY MORITZ

Fellow Cruising Sailors,

Since we just discovered that **THEM EASTPORT OYSTER BOYS** will be having their annual "cruise-in concert" in Shaw Bay on September 12, 2009, we have decided to change the sequence of the cruise.

- Friday September 11 – Tilghman Creek...Captain's Party
 - Saturday September 12 – Shaw Bay...Concert and Captain's Party
- Sunday September 13 – Long Haul Creek (take a slip at MRYC or anchor out)... At 1700 we will proceed to Eastern Shore Brewing in St. Michaels (transportation provided) for a private tour compliments of ORIENT, burgers, brats and beer compliments of "ORIENT". Everyone please bring a side dish, as well as something to drink if you don't want to stay with beer.

If you have not seen this group perform on the water, you are in for a real treat. Don't forget to provide me with your boat's LOA, beam, draft and electrical requirements if you want a slip – and let me know quickly so we can make reservations.

Cheers,
Fritz
