Ahoy CSSM: (Emailed to all CSSMs by Bcc:)

We have organized another outing for you, which we hope you will enjoy. Some of those who have been members for a long time may have done a similar tour a few years back, but there's always something new and we have many newer members who may be interested.

Date: Tuesday, March 22, 2111

Time: 10:00 am

Place: Horn Point Laboratory, Cambridge

Deadline for reservations: Friday, March 11

Please refer to the attachment for directions and a brief description of the tour. It lasts 90 minutes and starts promptly at 10:00 am. Comfortable walking shoes are recommended. Horn Point needs a fairly early count since they need to make sure they have enough guides for the number of people.

After the tour, we will go to Jimmie & Sook's for lunch.

421 Race Str. (near Cedar Str.) Cambridge and, as usual, we will have separate checks.

PLEASE, we urge you to RSVP (reply please) whether you are planning to attend or NOT. That way we are not wondering when or if we are going to hear from you.

If you want to telephone your reply, please call Virginia at (410)745-5518.

Looking forward to seeing you.

Virginia Albert, Jane & Wally Jansen and Anne Pilerl
