Ahoy -

Yes, there was a final final cruise to end the sailing season for CSSM!

Six boats gathered in Trippe Creek under a fairly full moon on our 36th anniversary and toasted away the season.

Tryst and guest boat, Sea Nettle, rafted up with "Salt Shaker" to provide ample seating, but all decided to cram into the usually large cockpit of "Salt Shaker" for great conversation and a delightful light dinner. As the sun set we all hoisted a cup of Irish and wished the sailing season a fond farewell!

By 7AM the following morning only 2 boats remained, but great memories were with all!

Nights:

Chinook Wind 1  
Ellis Island 1  
Makani 1  
Sea Nettle 1  
Salt Shaker 1
