

CRUISING SAILORS OF ST MICHAELS

Sailing season has begun.....and in order to get it started, a happy hour is planned for Sunday afternoon, May 19th, beginning at 5:30, at the home of JoAnn and David Miller in Easton Club East. No dinghies are required to get to this location, only land yachts, and it will be easy to climb aboard to begin the new sailing year.....no bobbing boats or balancing acts are required.

This is planned to be like our cruising happy hours - we all bring our own beverages and something to share. JoAnn and David will provide the ice, glasses and napkins. We can't be rained out **AND** we're looking forward to meeting some of you prospective members as well.....undoubtedly you'll realize just what a great time you'll have on the water with us.

Please respond to the Millers no later than Wednesday, May 15th with a yes or a no. Either by email or phone is fine..... joann.p.miller@gmail.com or [410 829 7458](tel:4108297458)

We really hope that you'll be able to come and begin a great year for CSSM with us.....

See you there
