

Sunday Impromptu Cruise

Cruise Captain: Stephen/ Shirley Humenick

June 25-26 2017

June 25th-Needless to say the weather improved and the weekend turned out to be quite nice. We decided to set out Sunday afternoon, for a sail and eventually stay overnight someplace.

We met up with Rejuvenation at MRYC who were out on their shakedown cruise and with plans to overnight in Hunting Creek. After a very pleasant leisurely sail down the Miles River in light and variable winds we finally motored up Hunting Creek to the anchorage.

What a lovely place Dick & Judy choose. The Creek is quiet and very picturesque. Cocktails on Onyx with appetizers and Sailor's beverage of choice. Wind rose to about 15+ knots during the night and all anchors held well and no bugs.

June 26th Both boat sailed back to MRYC on Monday.
