

Hello CSSM Members,

Following the success of our recent Poplar Island tour, we now propose another informative and fun gathering celebrating the history and heritage of Tilghman Island.

OCTOBER 26, 2023 Thursday 11 am to 2pm
Tilghman Methodist Church
5731 Tilghman Island Road

Featuring two parts of a documentary series produced by our own Club Commodore, Jennifer Shea (Gambrinus). Based on her 70+ interviews, we will hear all about Tilghman Island and its significance within Chesapeake Bay.

We ask that participants bring a dish to share . There will be the use of a stove and an oven. Non alcoholic drinks and tableware will be provided.

The presentation will take place at the church hall. We will break for lunch between two showings.

We ask that you please consult your calendars and let us know by responding to this email, **no later than October 2nd**, so we can start planning based on the number of attendees.

Hope to once again see as many of our members as possible... many thanks for your consideration and prompt response,
